

2026 Adult Golf Clinics

- Our adult golf clinics include five, hour long classes, eight buckets of range balls, and a five hole on-course experience at the Breckenridge Golf Club. The cost is \$180. Student to Instructor ratio is approximately 6:1.
- For the intermediate golfer we offer private lessons for a one-on-one experience with lessons tailored to each individual's needs.
- Each session will focus on the various golf skills you will need to move your game from the practice areas to the golf course. In addition to learning the basics, you will be guided onto the golf course for a 5-hole round to put your skills into action in a casual, friendly, and fun setting.
- All clinics meet on Monday's and Thursday's
